

**REGION OF PEEL SECONDARY SCHOOL ATHLETIC ASSOCIATION
CODE OF BEHAVIOUR**

In light of the fact that interscholastic athletics is an enriching aspect of the total school program, it is crucial that positive values of human interaction be encouraged. Cross-sport consistency in all Peel schools is a priority.

All athletes and coaches are expected to uphold the highest ideals of sportsmanship and fair play. Respect must be shown to teammates, opponents, coaches, officials, and spectators. Disrespectful or unsportsmanlike behaviours will not be tolerated in practice, in travel, or at competition. The following are examples of unacceptable behaviours:

1. Obscene language
2. Gestures viewed as disrespectful, aggressive, or violent
3. "Trash talk" (insulting the opposition)

It is the responsibility of the coach to ensure that the code of behaviour is followed for the enjoyment of all participants and spectators. The coach shall be a positive role model.

The Region of Peel Secondary School Athletic Association requires that all athletes follow the expectations outlined above as well as those in each school's Student Code of Behaviour and the Peel District School Board Discipline and Extra Curricular Policies.

I have read, understand and will adhere to the Region of Peel Secondary School Athletic Association's Code of Behaviour for Student Athlete participants.
